

We're brave  
and bold, and truth  
be told, a pirate  
frightens  
rarely.

But as for me,  
I have a **list**  
of things that really  
**scare me!**

# I'm Not Afraid!

by Ron Feltz

Elliot (Larry the Cucumber) is a bold and daring pirate who's not afraid of anything! Except, well... just a few things on his list. Ok, several things on his list. But there is one thing that makes him forget all about his fears!

This book will help your child discover that caring is where courage begins.
